I could go on and on about how much I am dedicated to serving couples in an extremely professional and positive manner, but it's better left to be said by other couples experiencing The Gold Standard in officiant service...

Bob & Nina

"Thank you Pastor Ken for making our wedding day so special. From the very first moment we sat down to share our ideas and feelings, it seemed that you were zeroed in on what we wanted! Your personal attention was absolutely refreshing, and the ceremony was flawless! People are still talking about your candid humor and charisma that really loosened up what would otherwise have been a nervous moment in our lives. We also appreciated the special care you took in working with our very persistent wedding coordinator. We highly recommend you to all of our friends and family, and will always remain very appreciative for the service and professionalism you provided"

Zetti & Jacqueline

"Please accept our sincere thanks for all of your help in officiating our wedding. . . This was a memorable day for us and thanks to you everything was exactly how we imagined it would be. Our day was truly perfect! We found your services to be professional in every way. You made us feel comfortable before the wedding that everything would be taken care of. The day of the wedding, you showed up on time (as promised) and were prepared for every possible circumstance. It was wonderful knowing that we never had to worry. We will be happy to refer your services to other couples who are holding a wedding in Maryland. . ."

Ivan & Jenny

"Pastor Ken we did it! Thank you so much for everything you have been to the success of our wedding ceremony and marriage! From the very first premarital coaching session through the ceremony, we were truly blessed to receive your guidance and direction. At times during our premarital coaching we were really challenged in ways that we hadn't previously thought of. The books and materials you provided, as well as all of the fun we had has certainly given us incredible confidence. We now speak each other's language and look forward to finding new ways to serve each other. The ceremony was also incredible as your charisma and humor really represented what we were all about. We appreciate you and look forward to a lifetime of friendship"

Here are some additional words of appreciation and endorsement from clients that have experienced the Gold Standard in Officiant Service. This is still simply a small representation of the satisfaction that is provided with my services. Your ultimate satisfaction is my consuming passion.

Two words to describe Pastor Ken and his services...Simply Amazing! My husband and I actually contacted Pastor Ken pretty late into our wedding planning...a month before our wedding date. So I was extremely stressed out, but Pastor Ken made me feel at ease. He met with us immediately and we felt as if we had known him for years! We knew right away that he would be the one to perform our ceremony. He is extremely professional, warm, and funny to boot! And fast in responding to emails and phone calls, which is important for any bride! We received a lot of compliments from our family and friends about how wonderful of a ceremony we had, and it was all thanks to Pastor Ken and his custom made packages. My husband and I highly recommend Pastor Ken, in fact, our friends just got married this past weekend and Pastor Ken performed their ceremony based on seeing how great he was at our wedding.

William & Elizabeth

(Cont'd)...Pastor Ken was wonderful for our July wedding. He was very down to earth, professional, flexible, funny and truly loves what he does. He offers different types of ceremony which you can cater to your preference. He received glowing praises from our guests after the wedding, and many asked for his information. You will not be disappointed with him, he is amazing.

Felix & Nembrus

"We offer sincere appreciation for making our wedding day special. We are glad that you were able to honor all of our family traditions during our ceremony, and we appreciated that you stayed for our receiving party. Felix and I also are happy that you were able to assist us in our ceremony preparations by recommending great vendors in Maryland. We didn't know who to contact, but you gave us many options to choose from. Thank you kindly, and we hope to remain contacted with you."

Here are some additional words of appreciation and endorsement from clients that have experienced the Gold Standard in Officiant Service. All of these clients simply represent a wide range and variety of services that I perform. It would be my honor to include your endorsement as a satisfied client!

Mike & Elaine

"We are so honored to be able to recommend you to people! Where do we start?! First we really enjoyed your professional approach to everything as you really were on top of everything (or maybe it was Jo-Ann)! We also enjoyed how laid back and relaxed the ceremony was, because we were so nervous and you certainly helped us by being calm. Also the premarital coaching was incredible, and we hope that you will take our advice and really start working with some of our couple friends who are clueless! Thanks for making everything so wonderful and Mike wanted me to tell you that even though he likes you and respects you, the Cowboys still suck! GO REDSKINS!"

Reggie & Yolanda

"Pastor Ken THANK YOU THANK YOU THANK YOU for being a blessing to us! With all of the phone calls and special help we needed without you ever charging us made us feel like you really cared about us as a couple. We owe you big time! Thanks to you, we know that we can make it with God's help and we look forward to having the best marriage ever! Reggie knows that as long as he hands his check over every week, there won't be any problems!!! We are so blessed to know you and Jo-Ann, and look forward to seeing you on TV like you always say! Just remember us (your favorite couple of all time eh hem) when you make it big so we can go on TV with you! Keep doing what you are doing, young couples need you!"
